

FARM 2000 PLUS - Ficha técnica

Description

FARM 2000 PLUS es un neumático agrícola que se distingue por el número elevado de los tacos, que garantiza una mejor prestación en las operaciones realizadas en el campo. La profunda banda de rodadura asegura una amplia vida del neumático y excelente tracción, mientras que la mezcla superior de la banda de rodadura se traduce en una óptima resistencia a los cortes y los desgarres. FARM 2000 PLUS muestra extraordinarias cualidades de auto-limpieza, así como un diseño particular de los ángulos de los tacos que hace que sea idóneo para las actividades en el campo y de transporte.
