

## FARM SPECIAL - Especificaciones técnicas

### Description

FARM SPECIAL es un neumático para tractores, idóneo tanto para los trabajos del campo. La carcasa robusta garantiza un elevado nivel de resistencia a los pinchazos y una vida operativa más larga, mientras que los hombros redondeados evitan daños al terreno, protegiendo los cultivos más delicados. FARM SPECIAL se caracteriza por su especial dibujo de la banda de rodadura con elementos mud breaker que rompen el fango, optimizando las propiedades de auto-limpieza. Además, la doble angulación de los tacos asegura una óptima tracción con un menor deslizamiento.
