

## LIFTMAX LM 63 - Ficha técnica

### Description

El LIFTMAX LM 63 se ha desarrollado especialmente para operaciones industriales y de logística. El diseño de su banda de rodadura con 3 costillas ofrece una baja resistencia al rodamiento, un buen agarre en mojado y un desgaste uniforme, unidos a una mejor conducción. Se trata de un neumático radial All Steel con cinturones de acero multiestrato que proporciona una menor vibración, así como una estabilidad y un confort mejorados.
